

Community Service Opportunity

Channelkeeper's Watershed Brigade is a community program that provides hands-on volunteer opportunities to address trash and marine debris pollution issues that threaten local water resources, wildlife, and the health of our communities.

How to Earn Community Service Hours

1. Join one of our Community Group Cleanup events. Cleanup events are announced in our monthly [eNewsletter](#) and on our Instagram accounts [@watershedbrigade](#) and [@sbchannelkeeper](#).

Or...

2. Participate in an individual cleanup and report your cleanup statistics. Email veronica@sbck.org to sign up.

Then...

Read the [Safety Guidelines](#) and complete the [Waiver](#).

Pick a Location - Choose an area to clean up. You can pick up litter from anywhere - your neighborhood, a local park, a local trail, a creek bed ... anywhere!

Complete our [Cleanup Reporting Form](#) to share your cleanup statistics.
